

# CAMO SERVICES ENGINEER

## to work for Avion Express Malta

### WHY US?

Avion Express Malta is a subsidiary airline of Avion Express. The company operates Airbus A320 aircraft fleet providing ACMI services to regular and charter airlines.

Avion Express Malta is looking for ambitious professionals to support the company's technical matters, handle fleet expansion and further development of the company. The position is based in Malta and implies that at least half of the duty time is spent in the country.

The company creates a supportive work environment and conditions for employees to grow, both professionally and personally.

Avion Express is the largest narrow-body ACMI operator in the world successfully working with clients in Europe, Africa, South America, Asia-Pacific. In 2019 the airline is operating 22 Airbus A320 family aircraft. The company was awarded ACMI Operator of the Year 2019 at Air Transport Awards by International Business News.

### ARE YOU READY TO?

- ▶ Supervise and liaison with contracted maintenance organizations and subcontracted CAMO;
- ▶ Develop and update the existing CAMO procedures as per EASA Part-M requirements;
- ▶ Develop and streamline CAMO procedures in line with IOSA SM;
- ▶ Participate in quality audits, raised findings closure, raised occurrence reports investigation support, as well as in risk management as necessary;
- ▶ Support the company's safety management system;
- ▶ Be the contact for national aviation authorities for company technical and airworthiness matters;
- ▶ Participate in aircraft deliveries and redeliveries;
- ▶ Ensure that all documents are prepared for redelivery as per lease agreement requirements;
- ▶ Liaise with national aviation authorities and previous operator regarding aircraft certificates.

### DO YOU HAVE WHAT IT TAKES?

- ▶ University degree in aviation;
- ▶ Previous experience in aircraft maintenance engineering and planning, development of airworthiness procedures;
- ▶ Knowledge of EASA rules and regulations, Part-M, Part-145 and IOSA Standards Manual;
- ▶ Knowledge of Airbus A320 family aircraft at least at general familiarization level;
- ▶ Fluency in English, other languages would be considered an advantage;
- ▶ Good communication and team working skills.

### DOES IT SOUND APPEALING?

- ▶ Competitive salary and social benefits;
- ▶ All conditions and opportunities for professional and personal growth;
- ▶ Opportunity to work in a truly international business environment.
